## Product Description of Cotton Slippers For Women

[Anti slip sole]: The upgrade TPR sole IS soft, durable and thick. It has strong grip and excellent anti-skid performance. Make sure that the tile or wood floor will not be scratched.

[Memory foam midsole]: Using high-density memory foam pads and strong cotton cloth ensure that the heel will not collapse, provide excellent cushioning and support, reduce pain when standing and protect feet.

[Flannel lining]: Soft lining can ensure maximum comfort and warmth. After putting it on, you never want to take it off again. Thick plush keep the foot warm in cold weather conditions and offer amazing comfort all-day long.

[Cotton upper]: This slippers uses high-quality fabric upper, soft and more cushion compared with other uppers.

[Machine washable]; Because the edge of the slippers is made by a special side seam process, it is not easy to break. Therefore, the slippers can be placed in the washing machine for washing without deformation.
